Students In Recovery

What Is Collegiate Recovery

- ◆ A collegiate recovery program (CRP) is a supportive environment within the campus culture that reinforces the decision to disengage from addictive behavior. It is designed to provide an educational opportunity alongside recovery support to ensure that students do not have to sacrifice one for the other.

What to look for to refer?

- ◆ Students showing up late for class
- ◆ Students who are turning in work late or not at all
- ◆ Students who have blood shot eyes (mainly marijuana)
- ◆ Student's who are bragging about getting "blacked"
- ◆ Students who confide that they might have a problem or have a friend or partner with a problem

How Can Staff Be More Involved

- ◆ If you yourself are in recovery or just want to help we are looking for staff/faculty to be a part of this program by:
 - ◆ Giving of your time to work with students at the meetings or going on events with us
 - ◆ Being a mentor for students
 - ◆ Giving of space (we are looking for a new home that's more cozy)
 - ◆ If you have old couches we would love them
 - ◆ If you have old coffee pots/ mini fridges we would welcome them
 - ◆ Any other ideas feel free to call Stephanie Lake @ 530-752-6334
